## How to enrol

You can enrol at our Beverley and Bridlington sites. We are open for enrolment Monday to Friday between 10am and 4pm, and during term time this is extended to 7pm on Tuesdays, Wednesdays (Beverley only) and Thursdays.

Where a course is marked (i), you will need a pre-arranged interview (either in person or by phone) with the tutor for this course. Call 0845 120 0037 and ask for learner services for more details.

## Free courses and reduced fees

**You pay the reduced fee if:**

- You receive Council Tax Benefit\*

\* You must be seeking employment and the course you are enrolling on must be intended to help you to obtain employment.

**People without level two and three qualifications**

You pay the reduced fee if:

- You are aged 19 and over and do not have a full level two qualification or above (applies only to full level two and three courses)
- You are aged 19 to 24 and do not have a full level three qualification or above (applies only to full level three courses)

Please drop in to reception or call 0845 120 0037 to discuss an individual fee assessment.

## Flexible payment plans

Please make cheques payable to East Riding College (post-dated cheques will not be accepted).

## Services to students

### Choosing the right course

East Riding College has qualified guidance officers to help you if you're having difficulty identifying your career aims, understanding the different qualifications and levels, returning to study if you have been out of education for some time, and choosing the right course for you. Please call and ask to speak to one of our guidance staff who are available at all sites.

### Personal support

Guidance officers can also help with personal issues, such as:

- The way to study without affecting any benefits you may receive
- The help which may be available to lone parents who want to study
- Possible assistance with childcare costs
- Other sources of support
- If you're a carer, how to ensure that you do not affect your entitlement to benefits

### Childcare

The Bridlington campus is a partner in the East Riding Children's Centre – Bridlington, providing a safe, stimulating and challenging environment supervised by qualified and experienced people.

The College will consider financial support from its Learner Support Fund (depending on individual circumstances) towards the costs of nursery fees or recognised and approved child-minding care facilities. All College sites have access to a recommended child-minding network.

### Disabled access

The College's Beverley and Bridlington campuses are fully accessible. All sites are compliant with the Disability Discrimination Act.

## Other support

A wide range of additional support is available:

- Help with numeracy, portfolio building, literacy and study skills tailored to individual needs, to help learners successfully complete their course
- Learning Resource Centres, providing a wide range of hard copy and e-learning resources, including PCs, laptops and tablets
- Support for learners with disabilities including specialist equipment. We can also meet a range of personal care needs
- A welfare and counselling service to support you if you have any worries

Please let us know what your additional needs are and we will do our best to meet them.

### Exam dates

The examination dates and times are coordinated by the individual examination boards and not East Riding College. This may result in your exam being held on a different day and time from your normal class. You may therefore be expected to attend during the day, for example.
