

Careers programme 2020-2021

ERC holds both the National Quality in Careers Standard (2019) and the Matrix Standard (2018) for the provision of Information, Advice and Guidance (IAG) rated "Outstanding" in the most recent Ofsted inspection.

A qualified, professional guidance team, knowledgeable and experienced tutors, the Enrichment Officer and Sport Maker, provide an all rounded programme of support to prepare learners for the world of work and their next step decisions.

Watching learners grow in confidence from their entry to exit point and very positive destination data is testament to the College's commitment to this.

The programme is also mapped against the 8 Gatsby Benchmarks for IAG (see www.goodcareerguidance.org.uk for more information)
