This childcare registration form must be completed by both the student and childcare provider only **after an application for financial support has been assessed and agreed**. We will **not** fund childcare where a spouse/partner is available to look after the child(ren).

East Riding College will **only** work with childcare providers who have completed this registration form and are Ofsted registered. **All sections must be completed.**

Please note students must be enrolled before any childcare support is paid.

Unsuccessful applications will mean the student being liable for any costs incurred. Notification of an unsuccessful application will be sent in writing to both the student and the childcare provider.

Sections 1-3 must be completed by the Student

1. Student / Childcare Details

Student Name		ID	
Contact Number		Email	
Child's Name		Date of Birth	Age

Please indicate what hours you have requested for your child to be in childcare whilst at college

	Monday	Tuesday	Wednesday	Thursday	Friday
Hours Requested (i.e 8.45am - 3.45pm)					

2. Student Responsibilities

Please read the following very carefully

If your child is two they may be entitled to 15 hours free childcare each week. To see if you are eligible visit [The Families' Information Service Hub \(FISH\) \(eastriding.gov.uk\)](http://TheFamilies'InformationServiceHub(FISH).eastriding.gov.uk) or ring FISH on 01482 396469. If so, you will receive a letter of confirmation from East Riding of Yorkshire Council, take the letter with a copy of child's birth certificate to your childcare provider.

The funding for 3 & 4 year olds is different from the funding for 2 year olds. All 3 year olds automatically get the 15 hours funding the term after they are 3. A parent with a 2 year old has to apply for the funding it's **NOT** automatic. Some parents may be entitled to up to 30 hours funding for their 3 & 4 year olds depending on circumstances.

I confirm and understand that:

- I am responsible for my contract of childcare with my childcare provider and acknowledge that if my application for support is not successful or support is withdrawn due to non-attendance that **I will** be liable for any costs incurred.
- East Riding College will only pay a maximum weekly childcare amount and that **I will** be liable for any costs incurred above this. **Maximum £180 per learner, per week.**
- East Riding College will only pay a maximum retainer fee of 50% and that **I will** be liable for any costs incurred above this, with no support being available between college years.
- I will only use childcare for my timetabled college sessions and acknowledge that support will **not** be awarded for private/home study.
- I will inform the Learner Finance Team if/when I become entitled to the Government Funded Hours. Failure to do so could result in support being suspended due to double funding.
- If I am in receipt of the Government Funded Hours these **must** be used first and foremost for my timetabled childcare requirements whilst at college and that East Riding College will only support any top-up hours where required.

- I will inform the Learner Finance Team of any significant changes to my household income levels.
- I must meet the minimum attendance requirement of at least 90% for support. I will inform the Learner Finance Team when I am not attending college (non-attendance may cause my application and support to be suspended whilst they investigate my absence from college).
- If I **leave/withdraw** from college I will provide both my childcare provider and the Learner Finance Team with written notice, adhering to the notice period in my childcare contract. **I acknowledge that failure to provide this will result in myself being liable for the outstanding childcare costs.**

Please note that childcare support for Breakfast and Afterschool clubs will be paid **College Term Time only**. No payments made for dates after the last day of term. This may vary for each student dependent on their course and their end date may not be known until June.

Payments for the first half-term (September to October) may be delayed due to the volume of applications received during this period. Whilst we will endeavour to make timely payments childcare providers must accept that there may be a short delay during the first term.

7. Important Information and Terms & Conditions

- Until written confirmation has been provided by East Riding College, childcare support is not guaranteed.
- The childcare contract is between the student and the childcare provider and so the responsibility of childcare fees ultimately lie with the student. Therefore East Riding College reserves the right to withdraw support if the student does not adhere to their responsibilities as outlined in this document **and** the 19+ Discretionary Support Fund or Advanced Learner Loan Bursary Fund Guidance. If this does occur, any outstanding fees are the student's responsibility.
- Childcare support will be discontinued on completion of a course or if the student withdraws from college.
- Please be aware that applications for childcare support cannot be completed until the student's timetable is showing correctly on our system. This can cause delay during the early part of the first term and we ask that you be patient with us during this time.
