

IMPORTANT STUDENT NOTICE

With the upcoming closures of schools and colleges to help protect students and staff from the Coronavirus, we are taking steps to continue teaching and learning to ensure you are prepared for end-of-year assessments and examinations.

What is Remote Learning?

1. Remote learning will help you to keep progressing with your course whilst you're not in College. Aspects of this need to be completed independently but staff at the College are still here to help you.
2. Messages and lessons will be delivered using Moodle, applications in Office 365 (Teams, OneNote, Word, Outlook etc.) and other on line resources (e.g. Padlet, Kahoot).
3. Tutors will communicate tasks, activities, resources and assessment with guidance on what to do and when to do it by.
4. Activities will vary, for example attending an online session, writing a report, or completing an online assessment.
5. Attendance will be recorded by your engagement in these tasks and activities.
6. Keep speaking to your friends about what they're doing and how they're doing it.
7. You're not expected to know everything first time. If you need help - just ask us!
