

How to access the SuccessCentre remotely from home

A simple guide

What support can I get from the Success Centre?

The Success Centre is available to all learners at East Riding College and provides support tailored to individual learning needs.

If you are struggling to complete an assignment, we can help!

Just email any queries or proofreading etc to the following email address:

erc-successcentre@eastridingcollege.ac.uk

specifying your name and curriculum area.

At a time that suits you, you can get one-to-one support from our friendly staff for a variety of study skills. This support may help you to get better grades for your assignments.

For example, we can explain the mysteries of Harvard referencing and academic writing to you, as well as give you guidance on how to research and plan an essay.

Do you require resources for your Maths and English skills? We have specialist LSAs on-line to help you and direct you to the correct activities/resources.

**We look forward to remotely
hearing from you!**

Opening times

Monday to Thursday, 9am-5pm

Friday, 9am-4pm
