Level 3 UAL Diploma/Extended Diploma in Creative Media Production and Technology

Level 3 UAL Diploma in Creative Media Production and Technology

What is it all about?

The UAL awarding body provides for a very student centred approach to learning. There are of course required learning outcomes to be achieved but these are accomplished by the student in a way that is shaped by their pathway, think of it as a learning journey.

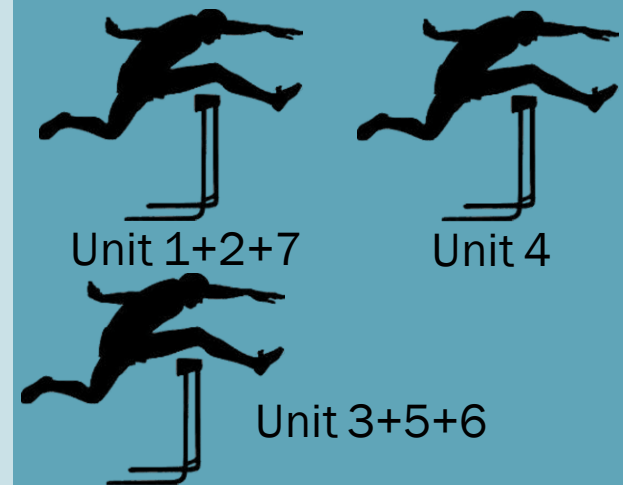

The Diploma is the first year qualification that you will achieve on this level 3 programme. You can then, providing you pass, progress onto the second year which is the Extended Diploma. Both of these qualifications attract significant UCAS points to enable your next steps to higher education.

Level 3 Diploma – Year 1

The Diploma consists of 8 units. Units 1-7 are graded at either Pass or Fail and must be passed in order to progress to Unit 8 which is the Final Major Project. Unit 8 is where your grade for the year is determined once you have learnt and honed your skills in the preceding 7 Units.

Units 1-7 make up the taught sessions. They are assessed via set tasks and small projects. Think of the course like a hurdle race, once you clear each unit, you move on. Some units may be individual, some may be grouped.

Unit 3

Introduction to professional practice in creative media production

Unit 4

Critical and contextual awareness in creative media production

Unit 5

Investigating audio production and technology

Unit 2

Introduction to design and research skills in creative media production

LEVEL 3 Diploma Structure

Unit 6

Investigating visual production and technology

Unit 1

Introduction to media processes and technical skills

East Riding College

Unit 8 Final Major Project. This is undertaken once units 1-7 are complete to Pass level

Unit 7

Investigating interactive production and technology

Level 3 UAL Extended Diploma in Creative Media Production and Technology

Level 3 Extended Diploma – Year 2

As with the first year there are a set amount of units, with attached learning outcomes, which need to be passed in order to progress to Unit 13, The Extended Project in Creative Media Production. This big, end of year project, is where your final grade is determined (Pass, Merit, Distinction). It is still up to you, the student, to decide your path and follow it.

If you want to focus on photography, you can. You want to focus on film, you can. If you want to focus on games, you can! After the first year, where a variety of skills are learnt, now is the time to really fine tune the direction you are going to take. Units 9-12 are the taught units leading up to the Final Major Project Unit 13.

Unit 10

Engaging with an audience in creative media production

Unit 11

Preparing for progression in creative media production

Unit 9

Characteristics and contexts in creative media production

LEVEL 3 Extended Diploma Structure

Unit 12

Specialist study in creative media production

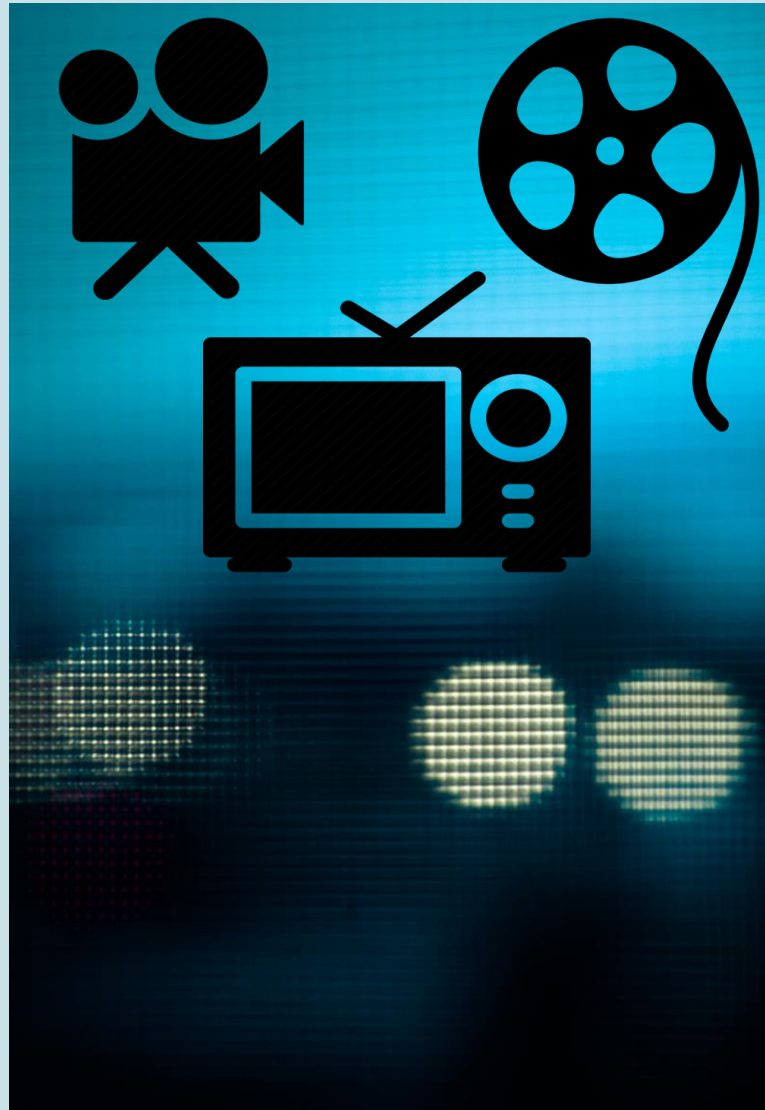

Unit 13

Extended Project in Creative Media Production. This is conducted once units 9-12 have been passed.

Where can this qualification take you?

The majority of our students progress onto Higher Education in a variety of media based qualifications and career pathways, such as:

- Media Production BA (Hons).
- Game Design & Art BA Creative Writing and Film Studies
- Media Production: Film and Television BA (Hons)
- Freelance Photography

Diploma UCAS points:

(Pass/Merit/Distinction) -
36/60/84

Extended Diploma UCAS points:

(Pass/Merit/Distinction) -
72/120/168
