

Benefits of an Apprenticeship

Do you know the benefits of doing an Apprenticeship? Here are a few main benefits to think about:

- You will earn while you learn
- You will have no University debt
- You can do an Apprenticeship in almost anything
- Job opportunity or company progression available at the end of the Apprenticeship
- You will gain vital work experience
- You will get the same work benefits as others in the company e.g. holidays, sick days, pension etc.
- You will be given the ability to retake Maths and English if you don't already have these.
- You can do an Apprenticeship right up to an equivalent of degree level!

Are you eligible for an Apprenticeship? This is what you will need:

- An interview with the Apprenticeship team
- Carry out an online initial assessment in Maths and English to determine your levels – included in the interview
- A minimum of 30 hours a week to work
